

ATTENDANCE AREAS

Background

HPSD, recognizing its responsibility to direct student attendance to HPSD Schools, and in the interest of efficient and effective operation of all services under its charge, has established school attendance areas. Students resident within an attendance area will be directed to attend the school located within their attendance area.

- 1.5.3. Grades 7 to 12 students within the HPSD Attendance Area who wish to attend the Lakeside Outreach School may apply to the Principal for consideration.

2. Transfer Between Attendance Areas

- 2.1. Parents should make application to the Superintendent for the transfer before June 1 of the school term preceding that in which the transfer is to take effect. Parents moving into HPSD after June 1 must apply for transfer as soon as possible.
- 2.2. The transfer will only occur if the receiving school has the program and resources to accommodate the students' needs.
- 2.3. Bus transportation to another HPSD school will only be provided if there is space available on existing bus routes.
 - 2.3.1. This transportation will only occur if this transfer does not jeopardize the viability of a small school.
- 2.4. Applications for transfer must be renewed yearly by the parents.
- 2.5. Notwithstanding the above, the Superintendent, at any time during the school term, may approve applications for students to attend HPSD Schools outside their attendance area.
- 2.6. The Superintendent shall inform the parents of their right to appeal any transfer decision to HPSD in accordance with Policy 12 – Appeals Regarding Student Matters.
