

# The Sherri Fisk Memorial Scholarship

For over 20 years, Sherri taught at C.J. Schurter School, where she poured her heart into early learning. Her greatest joy was watching children's eyes light up the moment something "clicked"- those sparks of curiosity, confidence and wonder that she helped ignite every day. Sherri believed deeply that the early years shape a child's lifelong relationship with learning, and she created classrooms filled with fun, discovery and excitement.

To honour her legacy, the Sherri Fisk Memorial Scholarship supports a Roland Michener High School graduate who feels called to follow in her footsteps. If you are passionate about becoming a teacher or an Early Childhood Educator, we invite you to apply.

The Memorial Scholarship will be awarded to a Grade 12 Roland Michener graduate pursuing a career in Education.

One scholarship will be awarded to a Roland Michener graduating student for the amount of \$1000.
