

Dual Credit Bursary Entrance Award

Northern Lakes College (NLC) is pleased to offer a \$500 Dual Credit Bursary to students who are looking to enroll in their first term post-secondary studies. Students who are registered to attend Northern Lakes College and have completed a Dual Credit program will be eligible for this bursary.

Requirements:

- Students must have completed an NLC Dual Credit course while attending High School.
- Students must enroll at NLC within 12 months of completing High School.
- Students must be enrolled in an NLC program (apprentice or full-time post-secondary programs).
- The program of study that the student has registered in at NLC does not have to correspond with the Dual Credit course that he/she completed in High School.
- Students are only eligible to receive this bursary once.

Award Process:

- Students who apply before August 31st will have the bursary funds automatically applied to their post-secondary tuition.
- Students that apply after August 31st will need to contact the Student Awards Administrator when they apply to Northern Lakes College.
