

The Slave Lake Legacy Scholarship

The Sky was on Fire: Slave Lake's Story of Disaster, Exodus and New Beginnings was published in December of 2012. Proceeds from the book will go towards a scholarship fund for Slave Lake students who are pursuing post-secondary studies in the arts, fine arts and humanities. Well rounded citizens who have pursued education in these areas have a great deal to offer to their communities and people who have followed their passion in these areas make projects such as our book possible.

The Slave Lake Legacy Scholarship is to be awarded to two students annually in the amount of \$1000 each. The scholarship fund contains enough money to fund the scholarship program for the next 20 years.
