E.W. Pratt High School Principal's Message

Hello Chargers Families,

Thank you to our students, staff and families for helping us have a fantastic start to the school year! There is already lots happening in our school and we are excited for all the fall energy!

One area we want to highlight this month is attendance. Being at school every day, and for the whole block matters! Each day provides students with opportunities to learn new concepts, participate in discussion, build relationships and stay connected to their school community. When students miss school regularly, or are consistently late it can become difficult to keep up, even when working hard to complete assignments.

As we move further into the semester, please remember to check your parent portal. You will be able to check on your students' marks and attendance. We encourage families to have regular conversations with their students about how things are going and to reach out to teachers if they have any questions or concerns.

On a more exciting note, we are excited to announce we will be hosting a Halloween Dance for our students this month! Tickets will be \$5 at the door on October 23. We are looking forward to an evening of music, costumes and time together as a school community. More information about the dance will be shared soon.

Thank you for your continued support, looking forward to a great October filled with learning and a little Halloween spirit!

In Kindness,
Lyndsay Fleming
Principal

assistance program!**

HIGH PRAIRIE SCHOOL DIVISION BOARD PRIORITIES

A. PRIORITIES
B. GOALS

HPSD Board Priorities

Partnerships and Learning Excellence

Goals:

- Advance community and municipal partnerships
- Advance Literacy and Numeracy

How is EWP achieving this outcome?

Advance Community and Municipal Partnerships

- We work closely with several work experience and RAP placements in our community to provide students with valuable real life experience.
- We have developed a new program with Heart River Housing where students are working on carpentry skills.
- We connect with other schools in our division to provide mentorship programming.
- We recently completed a joint recreation board and school project making the beach volleyball courts.
- We work closely with the Children Resource Council to provide programming including community kitchen and life skills mechanics programs.
- This year the school has hosted community beach and indoor volleyball tournaments and plan to run basketball and badminton tournaments as well.
- EWP students organize and facilitate HPE's Track and Field and K-3 Fun Day.
- We have a positive relationship with the High Prairie Golf course to support our Golf Team.
- We encourage students to volunteer in the community, they are able to earn High School Credit for their completed hours.

Advance Literacy and Numeracy

- In all subject areas we provide explicit instruction on subject-specific vocabulary and academic language.
- Multiple subject areas allow students to work on graphing, statistics, data measurements, percentages and financial information.
- In all subject areas we provide opportunities for student to develop and explain their mathematical reasoning and applicable skills to real world problems.
- We have a strong Knowledge and Employability program.
- Students complete the school division screeners in grade 10 English and Math courses
- Staff review assessment data, classroom assessments and provincial assessments to identify areas of strength and areas for improvement.
- Staff provide lunch time help for students requiring additional supports.

We're Listening!

We want to hear from you! If you have any questions or thoughts about what's happening at the school, please write them down below and give this page back to the school or email us at hpe@hpsd.ca. Thank you!

Please include your name and contact information if you would like a response.
